2019 BABYDOLL SOUTHDOWN SHEEP RESERVATION FORM & PURCHASE CONTRACT

I agree to purchase the following SHEEP or LAMB(s) from:

Bergamascos' Babydoll Brigade, LLC, Michelle Schubert, Owner, 2587 Josephine Rd, Stamping Ground, KY 40379-9643

Enter the ID number, or name, if the sheep is posted on my website, and you want the sheep held in your name until pick-up, or if reserving a lamb until weaning time. **If reserving a lamb prior to birth, enter the total number of lambs you wish to reserve.**

Registered ram lamb \$550.00 _____ Registered ewe lamb \$625.00 _____

Sire/Dam preference on lambs reserved before birth, not guaranteed: _____

Sheep other than lambs – Sheep name or tag #: _____ Price: _____

NOTE: If reserving prior to lambing, this contract is subject to availability. Many times, I have repeat buyers requesting lambs unrelated to previously purchased lambs. I also allow my buyers to request lambs (not guaranteed) produced by a sire/dam combination (combinations are available for viewing on my website usually by October). Because of this, reservations are not necessarily filled in the order in which they are received. I retain the right to retain any lamb born for myself regardless of reservations received.

My deposit of \$270.00 PER SHEEP reserved is enclosed, PLUS \$30.00 PER SHEEP for the required Certificate of Veterinary Inspection for Livestock (CVI) required for both intrastate and interstate travel. Any fees for additional health tests required by a purchaser's state are their responsibility.

***If you would like your sheep to be registered with the OEMBSSR, if qualified, include an additional \$15.00 and initial below.**

I agree to the following payment plan:

Please accept my deposit. A check/cash payment of \$270.00 + \$30.00 + \$15.00 (if applicable, for OEMBSSR CoR) per sheep is enclosed (made payable to Bergamascos' Babydoll Brigade).

_____ I prefer to pay in full at this time. **(Checks accepted)**

_____ I agree to make equal monthly installments until paid in full. **(Checks accepted)**

_____ I agree to pay the balance due when picking up the sheep(s). **(Cash only if paying at pick up)**

Deposit price will be applied to the price of the sheep.

The total amount enclosed for my reserved sheep/lamb(s) is _____.

If for any reason I decide at a later date not to purchase the reserved sheep or lamb(s), other than the instances listed below, my FULL deposit will be forfeited:

1. In the event lambs are reserved before birth, and there are not enough lambs born that season to fill a lamb reservation to meet my sex choice, my deposit on the lamb not filled in contract will be returned once lambing is complete.
2. In the event I reserve more than one lamb, the deposit on unfilled lambs can be applied to other lambs I am purchasing; or, the deposit can continue to be held on the unfilled lamb, at my written request, for the next season's lambs.
3. If the reserved animal that is being held for me should become unavailable due to illness, injury, death, or it was retained, I hold Bergamascos' Babydoll Brigade, LLC, and Michelle Schubert harmless, and understand my deposit and payments will be returned to me within 30 days of notification, or deposit can be retained by Bergamascos' Babydoll Brigade, LLC, for the next available sheep/lamb.

If you are picking up the sheep/lamb personally at my farm, I will provide you with a preferred pick-up date and time. If you have not confirmed with me within seven days after the date on the notification sent or worked out another date and time for pick-up with me, the following will apply:

1. I agree if I do not complete purchase and pick-up/payment of this sheep that I have reserved, within this time frame, or if I decide for any reason not to purchase the sheep, I will forfeit my full deposit and any payments made and the sheep will be available for purchase by another buyer.
2. With prior arrangement, if unable to pick the lamb/sheep up on the scheduled pick-up day due to transportation delays, or two-weeks from reservation/contract form date for older sheep, I am willing to pay a daily boarding fee of \$2.00 per day, per sheep. Sheep may be offered for resale two weeks after the pick-update has passed.

Shipping costs or paperwork/tests required for shipping are not included in the price of the sheep, and the costs are the responsibility of the purchaser. The sheep and all fees that incur with shipment **MUST BE PAID IN FULL** prior to shipping with an animal transporter, or by air, two weeks in advance so all checks can clear before shipment. Lambs are shipped at 12 weeks or older. All shipping arrangements/shipping crates/fees will be the responsibility of the buyer. A \$100.00 airport delivery fee (Cincinnati/Northern Kentucky International Airport) and \$30.00 for a Certificate of Veterinary Inspection for Livestock (plus the cost of any additional tests that may be required depending on which state/country they are going to) will be added to the price of each sheep if sheep is transported by air or ground animal transportation service, along with any fees for crates required for shipment. I fully understand I have the opportunity to visit the farm to visually inspect said sheep, and I am accepting the sheep as is, if shipping via air or animal transport, without visiting. Sheep leave the farm healthy and sound. Purchaser holds Bergamascos' Babydoll Brigade, LLC, and Michelle Schubert harmless for any injury or mishaps that may occur during transportation or for any injury, miscellaneous ailments, illness, death, and veterinarian fees after leaving Bergamascos' Babydoll Brigade, LLC, as proper care after purchase cannot be guaranteed. It is the purchaser's responsibility to gain the knowledge necessary to care properly for his or her sheep. Bergamascos' Babydoll Brigade, LLC will answer all questions regarding care to the best of their knowledge.
